

YOUR ESCAPE TO LUXURY

*Welcome to Mt. Daniel Waterfront Resort*

## **SCUBA DIVING PACKAGE**

National Geographic and Jacques Cousteau have rated our coastal waters the 3<sup>rd</sup> best place on earth to dive! BC waters are voted the number 1 cold-water diving destination in the world. The Sunshine Coast lays claim to the title of dive capital of Canada for its animal life, water clarity, vivid colours, diver-friendly tides, sheltered passages and deep ocean currents. A diving Mecca yet to be discovered by the mainstream.

Many world famous dive sites, suitable for all interests and abilities are available minutes from our resort dock.

### **Fearney Bluffs:**

Huge wall 300 feet. Giant cloud sponges. Two species of gorgonian. Awesome dive.

### **Nelson Rock:**

Beautiful reef on a mountaintop. Huge ling cod, cabezons, urchins, crimson anemones.

### **Charles Island:**

Long curved wall, following shoreline. Lots of cracks. Octopi, plumose anemones, sea pens.

12881 Sunshine Coast Hwy. • Madeira Park, BC • Canada V0N2H0

YOUR ESCAPE TO LUXURY

**Power Lines:**

Depth 400 feet plus. Famous for its huge gorgonians and cloud sponges. Rat fish, cow shark.

**Irvin's Landings:**

Hunt for antique bottles, china and other treasures from the steamship days.

**"A" Frame**

Aquarium like setting, drops to sheer wall. Cloud sponges, hydrocorals, sculpins, and red sea urchins

**Indian Islands:**

Great alternate bad weather site. Plumose, greenlings, crabs, some artifacts

**Moore Point:**

Drops to 100 feet and beyond. Cave like crevasses. Dogfish, sponges, anemones, octopi, lingcod.
